Secular Institutes

Secular institutes of Diocesan or Pontifical Right are a form of consecrated secular life whose single lay members and clerics profess the evangelical counsels and spread Gospel values according to a specific charism and spirituality, following formative phases. Members most often live alone while striving for holiness and the sanctification of the secular world, work in the “marketplace” and provide for their own living expenses, health insurance and retirement.

Caritas Christi (C.C.)
Founded in Marseilles, France in 1937; secular institute of Pontifical Right since 1955. Forms contemplative, apostolic laywomen who strive to live as dedicated Christians.
