Why did Cardinal Bergoglio choose the name Francis of Assisi? What is the significance?

Pope Francis himself said the following to reporters about why he chose the name Francis:

"I will tell you the story. During the election, I was seated next to the Archbishop Emeritus of São Paulo and Prefect Emeritus of the Congregation for the Clergy, Cardinal Cláudio Hummes—a good friend, a good friend! When things were looking dangerous, he encouraged me. And when the votes reached two-thirds, there was the usual applause, because the Pope had been elected. And he gave me a hug and a kiss, and said, "Don't forget the poor!" And those words came to me: the poor, the poor. Then, right away, thinking of the poor, I thought of Francis of Assisi."

The change in name indicates a change in identity. He is no longer Jorge Bergoglio, but Pope Francis, the successor of St. Peter. He continues the same mission the Lord entrusted to Peter. Cardinal Bergoglio chose the name Francis to honor St. Francis of Assisi's great concern and care for the poor.

Suggested Activities:

- Research St. Francis and identify the reasons why Cardinal Bergoglio would want to honor him
- Students preparing for Confirmation may relate the selection of new name for Pope with the selection of a new name for Confirmation
- "What's in a Name?": Create a decorative plaque of one's given name(s) (first and/or middle name). Interview parents to discover why the name was chosen. Suggested interview questions:
 - a. Was I named for a specific person?
 - b. Does my name have a meaning in a certain culture?
 - c. Is my name a combination of two or more names?
 - d. Was I named for a place or thing?

Edit the narrative to fit an index card (sized to fit a plaque) and place it beneath the decorated name

- Imagine a meeting between St. Peter and Pope Francis. Write a short story or a scene of a play about what they might discuss

Where does Pope Francis live?

As the Bishop of Rome, Pope Francis lives in Vatican City. Breaking the tradition of the past 100 years, Pope Francis has chosen to live in the papal guest house rather than the Apostolic Palace.

Vatican City is actually a country with diplomatic ties to other countries. Even though it is an independent country, it is surrounded by the city of Rome.
