ANTI-PORNOGRAPHY RESOURCES

INTERNET FILTERING TOOLS & MEDIA SAFETY

- <http://www.covenanteyes.com/> **CovenantEyes** helps you protect your family online. Learn how the Internet is used in your home.
- <http://www.enough.org/> **Enough is Enough** has recently launched a new multi-media program, *Internet Safety 101*, to educate, equip and empower parents, educators and other caring adults with the knowledge and resources needed to effectively protect children from the dangers of online pornography, sexual predators, cyberbullies and threats relating to social networking, online gaming and mobile devices.
- <http://www.internetsafety.com/safe-eyes-parental-control-software.php> **Safe Eyes** is Mac, PC, and iOS compatible software that protects your family from harmful content and other dangers on the Internet.
- <http://www.isafe.org/> **i-SAFE** is a non-profit organization dedicated to educating and empowering youth (and others) to safely, responsibly, and productively use information and communications technologies.
- <http://www.familysafemedia.com/> **Family Safe Media** provides parental control solutions for families concerned about the profanity, promiscuity and violence in today's media and entertainment.
- <http://www.cleanhotels.com/> **CleanHotels.com** is a network of lodging facilities that—based on some of the best research available—do not offer in-room, "adult" (pornographic) pay-per-view movies.
- <http://www.purehope.net/filterreviews.asp> **pureHOPE** seeks to assist parents in making an informed decision when purchasing filtering, blocking, or monitoring software for their family.
