Introduction

All children have the right to be safe and protected from harm in any and all environments – home, school, religious institutions, neighborhoods and communities. The Archdiocese of Washington embraces this right to safety and is dedicated to promoting and ensuring the protection of all children. Any adult who engages in sexual activity with a child is performing an immoral, gravely sinful and criminal act. The Archdiocese will do all in its power to create a safe environment for children and young people, to prevent their physical abuse, sexual abuse and neglect and to bring the healing ministry of the Archdiocese to bear wherever possible. It is the expectation of the Archdiocese of Washington that all persons and entities under its auspices comply with the provisions stated in this policy.

This child protection policy builds on a 1986 policy issued by the Archdiocese of Washington that was updated in 1993, 1999, 2003 and 2007. It is responsive to our concern for children and to the provisions contained in the revised Charter for the Protection of Children and Young People and the Essential Norms for Diocesan/Eparchial Policies Dealing with Allegations of Sexual Abuse of Minors by Priests or Deacons initially approved by the full body of U.S. Catholic bishops at its November 2002 General Meeting, with revisions approved at its June 2005 and June 2011 General Meetings.
Definitions

Following are definitions used for the purposes of this policy. Please note that defined words are in italics throughout the policy.

1.1 **Accused**
A person charged with or alleged to have committed an act of abuse, a serious violation of these policies and procedures (or “this Policy”) or a crime.

1.2 **Administrative leave**
Relieving the *accused* of assigned duties pending further notice from the Vicar General.

1.3 **Adult**
A person who is at least 18 years old.

1.4 **Child**
Any person under the age of eighteen (18).\(^1\)

1.5 **Child abuse**
Consists of any of the following:

- *Sexual abuse* includes any act or interaction whether it involves genital or physical contact, with or without consent, even if initiated by the *child*, which involves sexual contact, molestation or sexual exploitation of a child by a parent or any other person who has permanent or temporary care or custody or responsibility for supervision of a child,\(^2\) whether physical injuries are sustained or not, to include:

\(^1\) A vulnerable individual over the age of seventeen (17) is also covered by this policy - *mutatis mutandis* (with the necessary changes) - when such a person is unable or unlikely to report abuse without assistance because of impairment of physical or mental function or emotional status.

\(^2\) Includes all covered persons or any adult who has been given responsibility for temporary care or supervision of a child. The passing of responsibility may be by a parent, guardian or authorized person, regardless of duration, for a church or school related activity.

With renewed faith, we recommit ourselves to the goals of this policy:

a. To reiterate and strengthen educative and screening procedures toward the goal of preventing child abuse by Archdiocesan personnel and volunteers

b. To identify and observe reporting requirements to civil and Archdiocesan authorities

c. To address the spiritual, physical and emotional care of the abused child and the family as well as the affected Catholic community

d. To address the spiritual, physical and emotional care of the individual against whom the charge was made

e. To carry out all policies with regard to Church procedures when *child abuse* is alleged.
1. The intentional touching of the genitals or intimate parts including the female breast, the genital area, groin, inner thigh and buttocks of a child or of a perpetrator by a child for purposes of sexual arousal or gratification.

5. Displaying or distributing to a child any picture, photograph, book, pamphlet, digital image, movie or magazine the cover or content of which is principally made of descriptions or depictions of sex acts or contact, or which consists of pictures of nude or partially denuded figures posed or presented in a manner which the average person applying contemporary community standards would find, taken as a whole, appeals to the prurient interest.

b. Physical abuse includes any act which:
   1. Willfully causes or inflicts physical injury to a child or
   2. Willfully causes mental injury or psychological injury to a child by intentionally engendering fear of physical injury to that child.

3. It is the policy of the Archdiocese of Washington that corporal punishment of a child is prohibited in all entities under the auspices of the Archdiocese of Washington.

4. Physical abuse does not include the appropriate physical restraint of a child who is attempting to injure another person or him/herself, or the appropriate physical direction of a child away from danger or the minimum restraint necessary to place a child in “time out” or other appropriate limitation of movement to promote the child’s regaining of safety and emotional control.

- Believable and plausible

A **local educational agency** does not have a relationship - contractual, financial or otherwise - with Archdiocese of Washington Catholic schools, but, in most cases, provides services on Catholic school grounds.

1.14 **Non-archdiocesan educational service provider**
Any individual who (1) is an employee of a **local educational agency** or a vendor that has a contract with the **local educational agency** and (2) provides educational or related services to a student attending an Archdiocese of Washington Catholic school on the school premises.

Applications and Background Checks: Lay Employees, Volunteers and Contractors

Principle

The Archdiocese of Washington recognizes that criminal background checks are a critical element in ensuring the safety of children and protecting them from inappropriate actions or behaviors of others. Therefore, all clergy, employees, and volunteers who will come into substantial contact with children while working or volunteering for any Archdiocesan institution and/or program, will undergo the relevant state and federal criminal background checks.

2.1 Clearance Requirements: Employees and Volunteers

The pastor/parochial administrator or principal will ensure that all employees and volunteers who have substantial contact with children have, prior to starting their service:

a. Submitted the appropriate Application for Employment or Volunteer Application Form (forms available from parishes, schools and the Archdiocesan Human Resources office, and online at www.adw.org)

b. Cleared the required criminal background checks.

The above requirements apply to employees and volunteers including, but not limited to:

a. All Archdiocesan employees who have substantial contact with children
b. All principals, assistant principals, teachers, school counselors, librarians, volunteers and staff at all levels, including aides, school nurses and office personnel of Archdiocesan elementary, middle and high schools

c. All directors, coordinators, catechists and staff of religious education programs

d. All persons providing child care services under the auspices of the Archdiocese and/or any parish, mission and/or other Catholic organizations which are subject under civil law to the administration, authority and/or governance of the Archdiocese

e. All youth ministers, directors/coaches of children’s activities (e.g., athletics, scout leaders, choir, band, etc.) and similar Archdiocesan personnel who provide such services under the auspices of the Archdiocese or any parish, mission or other Catholic organizations which are subject under civil law to the administration, authority and/or governance of the Archdiocese.

The Vicar General has the authority to designate additional employees or volunteers who must complete the above clearance requirements.

Covered persons, including volunteers, periodically may be required to submit an updated application or to have an updated criminal background check undertaken. These updated records will be maintained by the appropriate Human Resources Office.

These clearance requirements are in addition to the education requirements in Section 4.

2.2 Approval of Background Check Results: Employees and Volunteers

Employment or acceptance of volunteer services is contingent upon a favorable result of the application and criminal background check results. Employment or volunteer services may not commence until criminal background check results are received and approved. The Archdiocesan Office of Human Resources will review all completed application forms and criminal background check results, notify the pastor/parochial administrator or principal of any unsuitable applicants, notify the pastor/parochial administrator or principal when an individual is approved, and maintain a list of all persons in Archdiocesan locations who have been refused employment or not allowed to provide volunteer services due to background investigation results.
Results may be investigated by the Vicar General or his designate. Should the Vicar General deem an investigation necessary due to information discovered in the application/reference check, criminal background check results or other part of the screening process, the pastor/parochial administrator or principal will be contacted immediately. The pastor/parochial administrator or principal will contact the prospective employee or volunteer to clarify questions or findings. Written documentation of the inquiry will be sent to the Vicar General. Employment or volunteer services may then commence only after written approval from the Archdiocesan Office of Human Resources. Applications and the results of criminal background checks shall be maintained in the files of the Archdiocese with access limited only to the Archbishop's designee(s).

### 2.3 Child Protection Compliance Coordinator

The pastor is responsible for ensuring that all employees and volunteers who have substantial contact with children are in compliance with Archdiocesan child protection requirements. Each parish, unless it has no programs for children, is required to designate at least one child protection compliance coordinator. The Child Protection Coordinator Designation Form (Appendix D) shall be used to make the designation.

The compliance coordinator:

a. Assists the pastor and other site coordinators in ensuring compliance with the Child Protection Policy by employees and volunteers

b. Maintains compliance records for the parish/school location so only those who are fully compliant may work or volunteer with children

c. Assists in setting up and disseminating information about education sessions.

Pastors will notify the Office of Child and Youth Protection when their designated coordinator is no longer serving in that role and will designate a new coordinator. The Child Protection Coordinator Designation Form (Appendix D) shall be used to do so.

### 2.4 Clearance Requirements: Local Educational Agency

Any local educational agency that assigns non-archdiocesan educational service providers to work directly with minors in an archdiocesan school must:

a. Conduct a criminal background check for each non-archdiocesan educational service provider

b. Require each non-archdiocesan educational service provider to complete the local educational agency's child protection and safety training and

c. Provide documentation to the Archdiocese of Washington's Catholic Schools Office that each non-archdiocesan educational service provider assigned to an archdiocesan school has successfully passed the criminal background check and completed the training.

### 2.5 Clearance Requirements: Third Party Vendor/Contractor

Any third party vendor/contractor must complete thorough screenings and criminal background checks of its employees, agents, volunteers and subcontractors who potentially will have contact with minors while working on Archdiocesan property.
Additional Requirements for Religious or Externs Seeking Residence, Assignment or Regular Weekend Ministry

In addition to the requirements in Section 3.1, any individual who is applying for ministry with a parish or other entity of the Archdiocese of Washington or who is seeking residence in an Archdiocesan parish or other Archdiocesan institution must:

a. Undergo a criminal background check through the Archdiocese of Washington prior to starting ministry or immediately upon taking up residence. Until cleared criminal background check results are received, these individuals may not engage in any public ministry unless supervised by an individual who is in full compliance with child protection requirements.

b. Attend a child protection education session sponsored by the Archdiocese of Washington.

Any individual who seeks to provide regular ministry in the Archdiocese (e.g., assistance with weekend Masses), although not in residence with nor assigned to an Archdiocesan ministry, must fulfill the requirements in Section 3.1 and provide documentation that he has attended child prevention education or must attend such education in the Archdiocese of Washington within sixty (60) days of starting this ministry.

Extern priests are required to adhere to the policies and procedures outlined in this document and the guidelines for transfers outlined in the Essential Norms for Diocesan/Eparchial Policies Dealing with Allegations of Sexual Abuse of Minors by Priests or Deacons, initially approved by the full body of U.S. Catholic bishops at its November 2002 General Meeting, with revisions approved at its June 2005 and June 2011 General Meetings.

Applicants for Priesthood or Permanent Diaconate in the Archdiocese of Washington

Individuals making application for the priesthood or the permanent diaconate, as well as priests seeking incardination, shall be required to complete the appropriate application for
admission or incardination and criminal background checks, and state in writing that they have no history which would render them unsuitable to work with minors. Additionally, all of the above individuals shall receive psychological testing and background checks in an effort to determine that they are suitable to work with minors.

3.4 Granting Residence or Ministry to Extern Priest or Religious

No pastor/parochial administrator, parochial vicar or director of any Archdiocesan institution or facility in the Archdiocese of Washington is permitted to grant residence or full-time or part-time or regular weekend ministry to an extern priest or religious until the Secretary for Ministerial Leadership or the Delegate for Consecrated Life provides a letter of permission assuring that the required criminal and other background checks have been obtained and are consistent with the Archdiocese of Washington criminal background check requirements. Those who will be in residence must obtain criminal background checks through and attend child protection education in the Archdiocese of Washington.

3.5 Background Check Results

The Secretary for Ministerial Leadership or the Delegate for Consecrated Life is to review all criminal and other background check results. The Archdiocese of Washington will maintain a list of all clergy and religious in the Archdiocese who have been refused employment or not allowed to provide volunteer services due to background investigation.

3 The Archdiocese of Washington requires criminal histories in which there is no occurrence of offenses that constitute any form of child endangerment, assault, battery or any other violent crime, and may, in its discretion, prohibit a candidate from working or volunteering with children based on any other crime or combination of crimes it considers to be disqualifying.

4.1 Educational Programs to be Offered

The Archdiocese of Washington shall provide educational programs that:

a. Are intended to teach participants to prevent, recognize and appropriately report child abuse
b. May include seminars, workshops and meetings, online or written materials and lesson plans
c. Are available at the local and archdiocesan organizational levels.

4.2 Who Must Participate

Participation in these educational programs is:

a. Required of all covered persons, including:
   1. All priests, deacons and members of religious communities
   2. All principals, assistant principals, teachers, school counselors, librarians, all volunteers and Archdiocesan school staff at all levels, including aides, janitors, food service workers, school nurses and office personnel of all Catholic elementary, middle and high schools

Principle

The Archdiocese of Washington is committed to preventing child abuse before it occurs and to identifying and reporting child abuse once it has occurred. By raising the awareness and understanding of abuse issues among priests, deacons, religious, staff members, volunteers and other adults who work with or have substantial contact with children and young people under the care of the Archdiocese and by increasing their knowledge and ability to deal effectively with child abuse issues once they arise, risks to child safety can be greatly reduced. By educating children on how to be safe and stay safe, the Archdiocese will enhance the ability of children to protect themselves and encourage an environment that allows children to communicate any potential endangerment.
3. All directors, catechists and staff of religious education programs
4. All Archdiocesan personnel providing child care services
5. All youth ministers, directors/coaches of children’s activities (e.g., athletics, scout troops, choir, etc.) and similar Archdiocesan personnel who provide such services
6. All other Archdiocesan employees who have substantial contact with children

b. Required of all children and youth who participate in Archdiocesan activities, services and programs, such as school, religious education and youth ministry
c. Recommended of parents and other adults even if they do not work or volunteer with children participating in activities, services and programs under the auspices of the Archdiocese.

The Vicar General shall have the authority to direct additional personnel of the Archdiocese (other than those specified above) to attend the education programs.

**Educational Deadlines for Adults**

New employees and volunteers who will have substantial contact with children:
a. Shall enroll in appropriate preventive education programs (as specified in Section 4.4) at the earliest possible date and no later than sixty (60) days following the assumption of their duties; new staff or volunteers for summer programs must complete training prior to start of the summer program
b. Must complete a minimum of two hours of education in the first year of service
c. Will be considered non-compliant if this education requirement is not met within the specified time frame and shall be removed from contact with children at the direction of the pastor/parochial administrator, principal or agency director.

Archdiocesan employees and clergy shall complete one hour of education in each subsequent year. Volunteers shall be provided education in each subsequent year, at a minimum through written or online materials.

Records of compliance with education policies will be monitored by child protection compliance coordinators, in coordination with the Office of Child and Youth Protection.

**Educational Curriculum for Adults**

All covered persons (clergy, employees and volunteers who have substantial contact with children) shall attend scheduled training sessions that include but are not limited to the following subjects, also known as the Core Curriculum for Adults:
a. Appropriate boundaries and established prohibitions in ministry

e. Ability to identify trusting adults with whom to speak
f. Importance of disclosure if inappropriate or unwanted actions are directed to self or others
g. Recognition that abusive situations are never the fault of the child
h. Ability to safely interact with technology, including the Internet and mobile devices.

This material shall be provided annually through age and developmentally appropriate programs for children in all grades of every parochial elementary school in the Archdiocese, and for children participating in parish religious education and youth ministry programs.

Similar age-appropriate programs will be presented annually in the Archdiocesan high schools. Programs will be made available to all other Catholic schools; their participation will be strongly recommended.

The Superintendent of Catholic Schools, Archdiocesan Director for Catechesis and Executive Director for Youth Ministry will ensure that these programs are available at the elementary (K–6th grade) and middle/secondary (7th–12th grade) levels.

Any clergy, religious, seminarian, employee or volunteer, including those who do not work or volunteer with children, who has reason to believe or suspects that any child has been the victim of physical abuse, sexual abuse, sexual assault or neglect shall make a report to the appropriate civil authorities, identified in Section 5.3, and to the appropriate Archdiocesan authorities, identified in Section 6. The sole exception is that ordained priests shall not report any information subject to the priest-penitent privilege.

The following must be reported to civil authorities:

a. Any suspected physical abuse, sexual abuse, sexual assault or neglect of a child or young person shall be reported as soon as
possible, regardless of where the incident occurred or by whom it was committed.

b. Past incidents of sexual abuse that are alleged to have occurred when a victim was a minor, even if the victim is now an adult.

In addition, in accordance with the law of the District of Columbia, a professional who believes a child is in immediate danger of abuse, neglect or harm as a result of drug-related activity must report that. In accordance with Maryland law, alleged incidents of mental injury must be reported.

5.3 To Whom Should Reports Be Made?

Contact information for reporting to the civil authorities is provided in Appendix A. These reports are in addition to internal Archdiocesan reporting requirements (see Section 6).

Maryland: Reports of abuse alleged to have occurred in Maryland shall be reported to the local law enforcement agency or the local department of social services. Reports of neglect alleged to have occurred in Maryland shall be reported to the local department of social services.

District of Columbia: Reports of known or suspected child abuse alleged to have occurred in the District of Columbia shall be made to the Metropolitan Police Department or the Department of Child Protective Services.

5.4 What Specific Information Should be Reported?

The person making a report should provide as much information as possible. He/she should not conduct an investigation in order to obtain more information than is readily available. It is the responsibility of the civil authority to ascertain whether an investigation is warranted.

The following information should be reported to the extent it is known:

a. Name, address and age of the child
b. Name and address of the child’s parent, guardian or caretaker
c. Whereabouts of the child
d. Nature and extent of the alleged maltreatment and any past history of injury possibly occurring from abuse or neglect
e. Name, address and whereabouts of the person or persons suspected of perpetrating the abuse or neglect, if known
f. Any other information which might help to determine the cause of the suspected abuse or neglect or the identity of the person responsible.

5.5 Reporting by Victims

In addition to making a report, Archdiocesan personnel shall inform the adult alleged victim of his/her right to report to the appropriate civil authority and support victims in their exercise of this right.

5.6 Requirements for Further Cooperation

Upon request of any civil authority, Archdiocesan personnel shall cooperate fully in any investigation of child abuse and/or neglect. This includes investigations of alleged sexual abuse of minors who are now adults. They shall also cooperate in any resulting judicial proceeding.

5.7 Immunity Protections for Those Making a Report

Under their statutes, both Maryland and the District of Columbia provide civil and criminal immunity to those who are mandated to report suspected child abuse and do so in good faith. In the District of Columbia, any person who, participating in good faith, makes a report of suspected child abuse shall have immunity from civil and criminal liability. This immunity, in both jurisdictions, extends to investigations and judicial proceedings arising from the reports.
When Abuse is Suspected in any Archdiocesan Setting

Anyone who suspects child abuse by an employee, volunteer or any other adult on Archdiocesan property or in the context of a school, parish or other Archdiocesan event shall:

c. Immediately notify the Director of Child and Youth Protection via telephone or in-person conversation
d. Within 24 hours, file a written report with Director of Child and Youth Protection and the principal, pastor or agency director of the school, parish or agency notified in Step (b) above. (See Appendix B; additional forms available from the Office of Child and Youth Protection.)

The Director of Child and Youth Protection shall:

a. Immediately notify the Vicar General
b. Forward a copy of the written Report of Suspected Child Abuse provided by the person who initially suspected abuse to the Vicar General.

c. Designate a case-specific contact person to coordinate with civil authorities in furtherance of the requirement in Section 5.6
d. Provide a report of the suspected child abuse to the provincial of a religious against whom an allegation is made or the bishop of a diocesan priest who is not a priest of the Archdiocese of Washington
e. Shall cause the allegation to be reported to civil authorities in each and every instance, if not already reported (see Section 5.3).

Principle

The Archdiocese of Washington believes unconditionally in the dignity of all children and young people and reasserts its condemnation of child abuse. Originating from this belief are expectations that there is (1) the general duty on all to report knowledge or reasonable suspicion of child abuse, regardless of any adverse consequences of such disclosure and (2) the pastoral responsibility of the Archdiocese to establish, implement and enforce an internal program of clear, practical actions to require the reporting of suspected child abuse.

Duty to Report

Any suspected child abuse, neglect or assault must be reported immediately to civil authorities and to Archdiocesan officials. Assistance in making a report to civil authorities will be provided by Archdiocesan officials if requested.

a. Any clergy, religious, seminarian, employee or volunteer, including one who does not work or volunteer with children, who has reason to believe or suspects that any child has been the victim of physical abuse, sexual abuse, sexual assault or neglect shall make a report to the appropriate civil authorities identified in Section 5.3. The sole exception is that ordained priests shall not report any information subject to the priest-penitent privilege.

b. Any individual who discloses abuse shall be advised to share this information with civil authorities and will be provided with the necessary support and assistance to do so.

c. The reporting procedures specified below shall be followed regardless of the nature of the offense, the current age of the alleged victim, the position/role of the accused, when the offense allegedly occurred or any other factors that may be deemed to be exceptions to this rule.

These reporting requirements are to be followed by all agents of the Archdiocese, including clergy, religious, seminarians, lay employees and lay volunteers.
6.3 When Abuse is Suspected in a Non-Archdiocesan Setting

Any Archdiocesan employee or volunteer who, within the context of his or her duties with an Archdiocesan school, parish, agency or other entity, suspects a child is being abused by an individual not associated with the Archdiocese (e.g., by a child’s relative or neighbor) shall:

a. Immediately make a report to civil authorities (see Section 5.3; contact information is in Appendix A) and
b. Immediately notify the principal, pastor or agency director of the school, parish or agency via telephone or in-person conversation.

The principal, pastor or agency director shall:

a. Immediately shall notify the Director of Child and Youth Protection via telephone and a written report (see Appendix B; additional copies available from the Office of Child and Youth Protection).

6.4 When the Person Designated to Receive the Report is the Accused

In cases in which the individual designated to receive the report is the accused, the report should be directed to the designee’s superior.

7.1 Principle

The Archdiocese of Washington will take all precautions necessary to ensure that children are safe and protected from harm. Despite such preventive measures, allegations of suspected abuse may occur. When allegations of suspected abuse are made against any party, the Archdiocese will consider the rights and interests of all parties and adhere to procedures that: (1) minimize the potential for further injury, (2) maximize the potential for a speedy and just resolution and (3) remain responsive to the tenets of canon and civil laws.

ALLEGATIONS AGAINST LAY EMPLOYEES OR VOLUNTEERS

Reporting and Outreach for an Allegation Against a Lay Employee or Volunteer

When an allegation is made against a lay employee or lay volunteer:

a. Civil and internal reporting requirements must be followed (see Sections 5 and 6)

In all other circumstances, the Vicar General will consult with the pastor, principal or agency head to determine the most appropriate course of action, including whether or not to reinstate the employee or volunteer. In the case of a false allegation, appropriate assistance will be provided (see Section 10).

ALLEGATIONS AGAINST CLERGY OR RELIGIOUS

a. Civil and internal reporting requirements must be followed (see Sections 5 and 6)
b. The Vicar General will immediately notify the Archbishop via telephone or in-person conversation. The Vicar General or his representative also will:

In response to credible allegations against an Archdiocesan priest or deacon, as determined by the Archbishop and informed by the advisory Case Review Board (see Section 8), the Vicar General will notify the Congregation for the Doctrine of the Faith. The Congregation of the Doctrine of the Faith will determine whether a church tribunal or the Congregation will adjudicate allegations.

A priest or deacon who admits guilt or eventually is found guilty will be permanently removed from ministry and not allowed to function or represent himself as a priest or deacon and may be laicized. Priests or deacons found not guilty may also be removed from the ministry if the Archbishop deems them to be a danger to children and young people. These matters may be appealed in accordance with the Code of Canon Law.

### 7.6 Canon Law Investigative Steps for Archdiocesan Clergy

In no event shall internal investigations and processes interfere with civil investigations. All internal investigations will be undertaken in accord with the essential norms and with canon law.

When an allegation of sexual abuse of a minor by a priest or deacon is received, after reporting to the civil authorities is completed (Section 5):

- An allegation will undergo a preliminary investigation in accordance with canon 1717 of the Code of Canon Law (1983). All appropriate steps are to be taken to protect the identity of the accused during the initial canonical

---

5 Canon 1717 reads “Sec. 1: Whenever an ordinary has knowledge, which at least seems true, of a delict, he is carefully to inquire personally or through another suitable person about the facts, circumstances and imputability, unless such an inquiry seems entirely superfluous. Sec. 2: Care must be taken so that the good name of anyone is not endangered from this investigation. Sec. 3: The person who conducts the investigation has the same powers and obligations as an auditor in the process; the same person cannot act as a judge in the matter if a judicial process is initiated.”
investigation and the *accused* will be promptly notified of the results of the canonical investigation. The Archbishop shall convene the Case Review Board to perform its duties as set forth in Section 8.2.

b. When there is sufficient evidence that *sexual abuse* of a minor has occurred, the Archbishop shall apply the precautionary measures mentioned in canon 1722—i.e., remove the *accused* from the sacred ministry or from any ecclesiastical office or function, impose or prohibit residence in a given place or territory, prohibit public participation in the Most Holy Eucharist pending the outcome of the process, and notify the Congregation for the Doctrine of the Faith.

c. If an act of *child abuse* by a priest or a deacon is admitted or is established at the conclusion of this process, the Archbishop will take the appropriate canonical action.

**Child Protection Advisory Board and Case Review Board**

---

**Principle**

The Archdiocese of Washington is dedicated to the protection of children, and, in the case of an allegation of abuse, to a timely and just resolution that respects the rights of all individuals involved as well as the tenets of civil and canon law. To this end, the Archdiocese will establish and consult with bodies of expert advisors on matters related to child protection policies, procedures, monitoring and reporting, and the handling of allegations against clergy, employees and volunteers.

---

### 8.1 Child Protection Advisory Board

The Child Protection Advisory Board is an advisory body to the Archbishop with two main functions:

- a. To advise on and monitor Archdiocesan child protection efforts
- b. To function as a Case Review Board that is consulted when a priest or deacon of the Archdiocese is suspected of past or recent child sexual abuse.

The Child Protection Advisory Board includes up to eight members who serve for three-year, renewable terms. The board reports directly to the Archbishop, meets with the Vicar General at least annually and is charged with the following:

- a. Review Archdiocesan child protection policies and procedures every four years or as needed and recommend ways in which they can be strengthened, improved or modified
- b. Oversee the implementation of the policies throughout the Archdiocese and its ministries
- c. Assist in developing appropriate mechanisms to ensure compliance with the policies
- d. Assess the effectiveness of victim assistance efforts by the Archdiocese and make recommendations for improvement

---

### 8.2 Case Review Board

The Case Review Board is a confidential, consultative body that reports to the Archbishop directly or through his delegate. The Archbishop reviews the recommendations made to him by this Board.

The membership of the Case Review Board is comprised of some or all members of the Child Protection Advisory Board (see Section 8.1) and includes:

- a. At least five persons of outstanding integrity and good judgment in full communion with the Church
- b. A majority of laypersons who are not in the employ of the Archdiocese
- c. At least one member who is an experienced and respected pastor of the Archdiocese in question
- d. At least one member with particular expertise in the treatment of the sexual abuse of minors

It is desirable that the Promoter of Justice participate in the meetings of the Case Review Board.

---

6 The Child Protection Advisory Board and Case Review Board of the Archdiocese of Washington are responsive to Norm 4 of the Essential Norms for Diocesan/Eparchial Policies Dealing with Allegations of Sexual Abuse of Minors by Priests or Deacons (United States Conference of Catholic Bishops). The Child Protection Advisory Board reviews diocesan policies for dealing with sexual abuse of minors. When functioning as the Case Review Board, it advises the diocesan bishop in his assessment of allegations of sexual abuse of minors and in his determination of suitability for ministry and offers advice on all aspects of these cases, whether retrospectively or prospectively. In addition to their consultative functions regarding sexual abuse cases and policy, each Board may advise the Archbishop on matters of non-sexual abuse and/or neglect.
The functions of the Case Review Board include:

a. Assessing allegations of sexual abuse of minors by priests and deacons in order to advise the Archbishop on the credibility of the allegations and whether the allegations fall within the definition of sexual abuse. Cases of alleged child abuse, other than allegations of sexual abuse, may be referred to the Case Review Board and assessed in a comparable manner as described above.

b. Advising the Archbishop in his determination of suitability for ministry on a case-specific basis.

In each and every instance of an allegation of sexual abuse of a minor by a priest or deacon in ministry; the Case Review Board will either:

a. Make a determination that the allegation is credible and falls within the definition of sexual abuse. The Archbishop will in that event decide whether the person suspected of abuse will be relieved of or continued on leave from any ecclesiastical ministry or function and referred to an appropriate residential facility for evaluation and/or treatment if this has not been done already. The Vicar General, with the assistance of the Secretary for Ministerial Leadership, will be responsible for making these arrangements. The priest or deacon retains the right to refuse the referral for evaluation and/or treatment; or

b. Determine that the allegations either are not credible or do not meet the definition of sexual abuse. In addition, if the Case Review Board nonetheless concludes that there remains reason(s) for concern, then a consultation between the Archbishop and the Vicar General will take place to determine the most appropriate course of action and the disposition of the accused.

If allegations of past misconduct fall outside the canonical statute of limitations, the Case Review Board will:

a. Determine whether the allegation is credible and is consistent with the definition of sexual abuse

b. Develop an advisory recommendation to the Archbishop that is consistent with canon law

c. Indicate, in writing, whether the incident exceeds the statute of limitations in canon law and warrants an exception to these limitations. If it does, the Archbishop shall seek an exception to these limitations.

The Archbishop will forward all credible allegations to the Congregation for the Doctrine of the Faith, which will in turn refer cases to a church tribunal or retain the case and determine the future of the accused.

8.3 Case Review Board Guidelines

The Case Review Board:

a. Will receive from the Archbishop or his delegate a complete written record of the allegations made against a priest or deacon; a detailed description of the interviews of alleged victims and the response of the priest or deacon in question to the allegations made; and will review any information pertinent to the allegation from the priest's or deacon's personnel file. The priest or deacon and his advocate will be informed of the material that will be presented to the Case Review Board. The priest or deacon and/or the alleged victim(s) may choose to make a presentation in person or in writing to the Case Review Board.

b. Will be required to assess the credibility of the allegations and whether the allegations conform to the definition of sexual abuse of a minor as outlined in the Archdiocesan Child Protection Policy.

c. May be asked to comment on the suitability of a priest or deacon for future ministry.

d. Is authorized to further investigate allegations and interview alleged victims or witnesses as it deems necessary and appropriate in each particular case.

The Vicar General of the Archdiocese of Washington will present the recommendations of the Case Review Board to the Archbishop.

The deliberations of the Case Review Board will be strictly confidential and no detailed minutes will be taken or maintained.
Principle

The relationship between the Church and its members is sacred. The Archdiocese of Washington recognizes that this sacred trust is broken and profound harm is done when clergy or other Church personnel abuse children. The Archdiocese further recognizes the Church’s pastoral responsibility to reach out to every person who has been the victim of abuse as a minor by anyone acting in the name of the Church, whether the abuse was recent or occurred in the more distant past. In order to repair harm and promote healing, the Archdiocese will offer compassionate and timely pastoral care to victims of child abuse, the victims’ immediate families and the affected faith communities. Through this pastoral care, as well as ongoing education and training for clergy and other Church personnel, the Archdiocese will work diligently to promote safe, healthy communities of faith.

Pastoral Outreach to Victims, Families and the Community

The Archdiocese will provide restorative pastoral responses to victims, families, parishes and communities that are essential to begin the healing process. These may include, but are not limited to:

a. Open discourse about child abuse that allows education, healing and reconciliation
b. Expressions of compassion
c. Acknowledgement and acceptance of feelings of anger, pain and mistrust as part of the healing process
d. Admission of wrongdoing and apology by the perpetrator and the provision of an unambiguous statement of remorse by an Archdiocesan official
e. Education of the parish and the community in order to facilitate their understanding, acceptance and support of victims whose pain may require both immediate and
The reasonable cost of assessment and counseling for the victim and, in certain cases, family members will be assumed by the Archdiocese provided that:

a. An initial assessment, found acceptable by the Archdiocese, is made by a qualified professional counselor
b. The assessment contains recommendations for length of counseling and treatment goals
c. The recommendations are in accordance with the standard of care practiced in the community and
d. Treatment plans and goals are routinely monitored by a qualified professional counselor and reviewed no less than every six months.

### 9.4 Additional Forms of Pastoral Care

Appropriate pastoral care also may include medical evaluation and treatment, spiritual guidance, identification of support groups and other social services and resources for healing, depending upon the circumstances and particular needs of the victim, which shall be determined and mutually agreed upon by the victim or the victim’s parent/guardian in the case of a minor child and the Archdiocese.

---

8 The establishment of an Office of Child and Youth Protection for the Archdiocese of Washington is responsive to Norm 3 of the Essential Norms for Diocesan/Eparchial Policies Dealing with Allegations of Sexual abuse of Minors by Priests or Deacons. Norm 3 states, “Each diocese/eparchy will designate a competent person to coordinate assistance for the immediate pastoral care of persons who claim to have been sexually abused when they were minors by priests or deacons.”
Archdiocesan Response to False Allegations

Principle
As in the recognition of significant trauma experienced by abuse victims, the Archdiocese of Washington recognizes the trauma and harm of false accusations. The Archdiocese will strive to minimize any personal or professional adverse consequences of unsubstantiated allegations against those falsely accused. The Archdiocese also will strive to preserve the future ministry opportunities of clergy and religious falsely accused of child abuse in accord with canon law.

10.1 Mental Health Services
The Archdiocese will provide the necessary mental health services to assist individuals wrongfully accused to address the consequences of accusations and to restore the effectiveness in their job duties and/or volunteer services.

10.2 Restoring the Good Name of Someone Falsely Accused
The Archdiocese will work with the accused to restore his or her good name and reputation and to create a workable plan for the future.

10.3 Informing the Community
The Archdiocese will, in consultation with and with consent from the individual falsely accused, inform the faith community at large and the local parish of the outcome of the investigative process and of the need for spiritual support and restorative justice in the wake of unsupported allegations.

Communications

Principle
The Archdiocese of Washington’s policies and procedures governing its internal and external communications are to promote the development of cooperative, responsive and candid relationships. The Archdiocese is to engage the community and the media in its efforts to prevent child abuse, protect children, support families and inform the public. Within the confines of respect for privacy of the individuals involved, the Archdiocese will communicate as openly as possible with the members of the media, faith community and general public regarding allegations of child abuse and related issues.

The Secretariat for Communications will work with relevant archdiocesan offices, the faith community and the general public to disseminate information in order to increase the awareness and understanding of the prevention, identification and treatment of child abuse and neglect.

11.2 Timeliness of Communications
Communications with an affected parish and/or school, the media and the broader archdiocesan community are to be timely, open and clear. All communications shall occur within the confines of respect for the privacy and reputation of those involved, as well as any applicable canon and civil laws.

11.3 Responding to the Media
The Secretariat for Communications is to be responsible for coordinating all media contacts. All media inquiries made to schools, parishes, etc. should be referred to that office or responded to in consultation with that office. The Secretariat for
Communications will consult with, guide and coordinate relevant persons in the handling of media inquiries.

11.4 Communications Training

The director of the Office of Communications will provide training to pastors/parochial administrators, principals and agency directors so that they can, when required to do so, competently respond to media inquiries and provide initial media response designed solely to reassure the community that abuse allegations are taken seriously and that the Archdiocese of Washington will cooperate fully with civil authorities.

11.5 Communicating with Directly Affected Communities

Recognizing the importance of supporting parishes and/or schools directly affected by misconduct involving the victimization of minors, the director of the Office of Communications will coordinate with the Vicar General; relevant archdiocesan offices, such as the Office of Child and Youth Protection, Catholic Schools Office and Office for Catechesis; and school and/or parish leadership to ensure parishioners and/or school families receive timely, factual and pastorally appropriate communication from the archdiocese, school and/or parish.

11.6 Communicating with the Broader Community

The Archdiocese may communicate with priests at other parishes, particularly those where an accused person previously served; school principals; and/or pastoral center staff in order to assist them in reaching out pastorally to all parishioners and school families in the Archdiocese.

Principle

In order to restore the trust and confidence of victims, parishioners, all Catholics and the public at large in the Church’s ability to prevent child abuse and identify and heal those who have been abused, the Archdiocese of Washington shall be accountable for its efforts and performance in these matters. The Archdiocese shall evaluate the effectiveness of its child protection efforts at regular intervals to determine whether it is meeting the needs of the Church, the faith community and the victims and their families in the most effective and responsive ways possible.

12.1 Responsibility for Implementation of Policy

The Archdiocese will be responsible for the effective and timely implementation of this policy.

12.2 Policy Compliance

Copies of original statements provided to the police will be kept on file.

The responsibility for record keeping resides with the Vicar General and records should be retained in his office. For the
protection of both the involved individuals and institutions, records shall be kept ad infinitum. Continuity of information is essential and shall be assured.
