Question 12: How to use the Family Suite system to generate the number of Active, Registered Parishioner Families

The screenshot displays the Family Suite software interface. At the top, the 'Census' tab is selected, indicated by a red circle and the number '1.'. Below the navigation bar, the 'Family List' page is shown. A search bar at the top right contains the text 'Parish Name', which is circled in red. A filter dialog box is open in the center, with the 'Membership' dropdown set to 'Registered' and the 'Family Group' dropdown set to 'Active', both circled in red and labeled with a red '2.'. The 'Send Envelopes' dropdown is set to '(Any)'. To the right of these filters is a 'Family Work Groups' section with three checkboxes: 'Christmas', 'Dynamic Workflow Group', and 'Family Workflow Groups'. Below the filters, the 'Advanced Options' section includes an 'Exact Search' checkbox. At the bottom of the filter dialog, the 'Apply' button is circled in red and labeled with a red '3.'. The background shows a table of family records with columns for family name, address, and phone number. The bottom of the screen shows 'Page 1 of 47 (463 Records)', with the page number '1' circled in red.

4. Number of Active, Registered Parishioner Families
