“All born with the same dignity!”

“The world exists for everyone, because all of us were born with the same dignity,” teaches Pope Francis. “It is unacceptable that the mere place of one’s birth or residence should result in his or her possessing fewer opportunities for a developed and dignified life” (Fratelli Tutti, 118, 121).

Today, the dignity of every child is still acknowledged with wonder by the missionaries serving families in Asia, India, the Pacific Islands, the Caribbean, remote areas of South America, and Africa. In each small face, missionaries gaze at the face of Jesus.

Will you support them as they care for the children in mission lands – no matter where their “birth or residence”—so they can all have a “developed and dignified life”?
