

THE TRIDUUM

The Triduum is the most sacred time of the year for Christians. While it begins Thursday evening and ends Sunday evening, the liturgical calendar of the Church presents the three days as one "liturgical day." This marathon of liturgies invites us to journey with Jesus from the Last Supper, through His Passion, and culminates with His glorious resurrection.

**As we celebrate the Triduum,
how do the actions of Jesus and His Disciples impact your life today?**
