2021

- [Missionaries of Jesus](#): This order focuses on evangelization efforts in Guatemala, Papua New Guinea, the US Southwest, and the Philippines. They live among those who live on the margins and provide education for parishes and seminarians and disaster relief in the locations they serve. They serve along the US/Mexico border with a primary focus on the accompaniment of migrants. In Guatemala, they serve the indigenous Mayan population. In the Philippines, they work in the impoverished areas of Navotas, among the indigenous population of the mountains in Davao, and among the Christian-Muslim population of Mindanao. The donations collected from the appeal supported their school in the Philippines and helped with the education of seminarians in Vietnam and the Philippines.

2020
