Report on the Audit of the Consolidated Financial Statements

Opinion

We have audited the accompanying consolidated financial statements of Catholic Youth Organization and Affiliate, which comprise the consolidated statements of financial position as of June 30, 2025 and 2024, the related consolidated statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the consolidated financial statements.

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the consolidated financial position of Catholic Youth Organization and Affiliate as of June 30, 2025 and 2024, and the changes in their net assets and their cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditors' Responsibilities for the Audit of the Consolidated Financial Statements* section of our report. We are required to be independent of Catholic Youth Organization and Affiliate and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Catholic Youth Organization and Affiliate's ability to continue as a going concern for one year after the date the consolidated financial statements are available to be issued.

Auditors' Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore, is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the consolidated financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the consolidated financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Catholic Youth Organization and Affiliate's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the consolidated financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Catholic Youth Organization and Affiliate's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS
JUNE 30, 2025 AND 2024**

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Organization

Catholic Youth Organization (CYO) is responsible for youth work in the Archdiocese, including youth retreats, scouting, youth outreach, athletic programs, junior and senior high school youth groups, and leadership training in youth ministry. Moneys are received directly from participants, parishes, and youth groups to defray the costs of each program and activity.

The geographic territory encompassed by CYO comprises the District of Columbia and the Maryland counties of Montgomery, Prince George's, Charles, Calvert, and St. Mary's. CYO fulfills its mission by operating the following programs:

Youth Ministries – Assists parishes in adolescent ministry through consultation and training of adults. Youth ministry also includes African-American, Hispanic Youth and Young Adult, and national and international activities such as World Youth Day and Catholic Scouting.

Athletic Programs – Offers basketball, baseball, softball, soccer, and track. Most programs are available to children grades 3-8.

Principles of Consolidation

The consolidated financial statements include the accounts of CYO and its affiliate, Mattaponi Pavilion Fund, Inc., collectively referred to as the Organization. MPF is controlled by CYO and was dormant during the years ended June 30, 2025 and 2024. All significant intercompany transactions have been eliminated. CYO and MPF are separate corporations affiliated with the Archdiocese of Washington (the Archdiocese).

Basis of Presentation

The accompanying consolidated financial statements include the financial position, changes in net assets, and cash flows of the Organization on the accrual basis of accounting.

Estimates

The preparation of consolidated financial statements in conformity with accounting principles generally accepted in the United States of America requires CYO to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosures of contingent assets and liabilities at the date of the consolidated financial statements and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

Cash

Prior to end of June 2025, CYO's cash was held in a pooled bank account by the Central Pastoral Administration. Expenses of CYO were paid from this pooled account and the net cash inflows/outflows for the period are recorded as due to/due from affiliated corporation in the consolidated statement of financial position. At the end of June 2025, CYO opened a checking account with United Bank. A majority of the funds were transferred from the pooled account with the Central Pastoral Administration.

**CATHOLIC YOUTH ORGANIZATION AND AFFILIATE
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS
JUNE 30, 2025 AND 2024**

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Accounts Receivable and Allowance for Credit Losses

Accounts receivable represent amounts due from parishes for program fees. Accounts receivables are presented in the consolidated financial statements net of an allowance for credit losses. The allowance for credit losses is evaluated on a regular basis by CYO's management and is based on historical collection experience, the current and expected economic environment, and the CYO's assessment of specific risks associated with each customer. CYO's estimate of the expected credit losses is subject to inherent uncertainty, and actual losses could differ from estimates. CYO maintained an allowance for credit losses of \$9,630 and \$14,265, for each of the years ended June 30, 2025 and 2024, respectively.

Investments

Investments are recorded at fair value. Management reviews and evaluates the fair values provided by external investment managers and believes that the valuation methods and assumptions used in determining their fair values are reasonable.

Fair Value Measurements

CYO accounts for a significant portion of its financial instruments at fair value or considers fair value in their measurement. CYO uses a framework for measuring fair value to establish a fair value hierarchy based on the quality of inputs used to measure fair value.

CYO has categorized its financial instruments, based on the priority of the inputs to the valuation technique, into a three-level fair value hierarchy. The fair value hierarchy gives the highest priority to quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). If the inputs used to measure the financial instruments fall within different levels of the hierarchy, the categorization is based on the lowest level input that is significant to the fair value measurement of the instrument. Financial assets recorded on the consolidated statements of financial position are categorized based on the inputs to the valuation techniques as follows:

Level 1 – Financial assets whose values are based on unadjusted quoted prices for identical assets in an active market that CYO has the ability to access. Securities value using Level 1 inputs include those traded on an active exchange, such as the New York Stock Exchange. Securities valued using Level 1 input includes actively traded mutual funds.

Level 2 – Financial assets whose values are based on quoted prices in markets that are not active or model inputs that are observable either directly or indirectly for substantially the full term of the asset. Level 2 inputs include, among others, quoted prices for similar assets in active market or nonactive markets.

Level 3 – Financial assets whose values are based on prices or valuation techniques that require inputs that are both unobservable and significant to the overall fair value measurement. These inputs reflect management's own assumptions about the assumptions a market participant would use in pricing the asset.

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Property and Equipment

Certain automobiles and equipment are stated at cost, if purchased. Property received as a gift is recorded at fair value on the date of transfer. All acquisitions greater than \$250 are capitalized. Depreciation is computed using the straight-line method over the estimated useful lives of five years.

In accordance with canon law, all real property is titled to the Archbishop of Washington.

Net Assets

Net assets and revenue, gains, and losses are classified based on the existence or absence of donor-imposed restrictions; accordingly, the net assets of CYO and changes therein are classified and reported as follows:

Net assets without donor restrictions – Net assets that are not subject to donor-imposed stipulations.

Net assets with donor restrictions – Net assets subject to donor-imposed stipulations that may be met either by actions of CYO and/or the passage of time.

Revenue is reported as increase in net assets without donor restrictions unless use of the related assets is limited by donor-imposed restrictions. Expenses are reported as decreases in net assets without donor restrictions. Gains and losses on assets or liabilities are reported as increases or decreases in net assets without donor restrictions unless their use is restricted by explicit donor stipulation or by law. Expirations of net assets with donor restrictions (i.e., the donor stipulated purpose has been fulfilled and/or the stipulated time period has elapsed) are reported as reclassifications between the applicable classes of net assets.

Revenue Recognition

The majority of CYO's program fees includes participation fees for CYO's sports seasons. Fees received in advance are deferred. The performance obligation is satisfied, and revenue is therefore recognized ratably over time during the season.

Contributions and grants received, which include unconditional promises to give (pledges), are recognized as revenue without donor restrictions in the period received at their net present value unless their use is restricted by donor stipulation. All pledges receivable at June 30, 2024, were expected to be collected in less than one year.

Donated Services

Donated services are recognized as contributions if the services (a) create or enhance nonfinancial assets or (b) require specialized skills, are performed by people with those skills, and would otherwise be purchased by CYO. CYO recognizes in-kind contribution revenue and a corresponding expense in an amount approximating the estimated fair value at the time of the donation. The Central Pastoral Administration provides administrative services to CYO. A portion of the services provided is recorded as donated services revenue for the years ended June 30, 2025 and 2024 (see Note 3).

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS
JUNE 30, 2025 AND 2024**

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Donated Services (Continued)

In addition, a substantial number of unpaid volunteers have made significant contributions of time to various programs and fundraising activities. The value of this contributed time is not reflected in these consolidated statements as the services provided do not meet the requirements for financial reporting.

Income Taxes

CYO and MPF are recognized as exempt from federal income tax under the provisions of Section 501(c)(3) of the Internal Revenue Code. Management annually reviews its tax positions and has determined that there are no material uncertain tax positions that require recognition in the consolidated financial statements.

Functional Allocation of Expenses

The costs of providing the various programs and other activities have been summarized on a functional basis in the consolidated statements of activities. Salaries are allocated based on estimates of time and effort. Certain other administrative costs, such as depreciation, rent expense, and mileage reimbursements, have been allocated among the programs based on the percentage of time spent by employees in each program.

Liquidity

CYO's board requires that the majority of long-term fund assets be invested in liquid securities in order to deal with unplanned cash requirements that may arise. Prior to the end of June 2025, CYO did not own and operate its own bank account for payment of expenditures. Cash was held in a pooled bank account by the Central Pastoral Administration, a related party, and the net cash inflows/outflows were recorded through a due to/due from affiliate account. The net balance due from the Central Pastoral Administration at year-end is included in the amount below. At the end of June 2025, CYO opened a checking account with United Bank. A majority of the funds were transferred from the pooled account with the Central Pastoral Administration.

The following reflects CYO's financial assets as of the date of the consolidated statements of financial position, reduced by amounts not available for general use within one year of the consolidated statements of financial position.
